

## Why join?

- You are here in the UK to develop and grow in your field of study or work. Why not grow in your understanding of God's Word so that you can serve him better?
- Whether you return home, stay in the UK or go elsewhere in the world, God wants you to be involved in His mission of proclaiming the good news of Jesus to others. On the Philip Project you will learn how to teach the Bible through giving talks or leading Bible studies.
- We want to proclaim God's good news to real people, whether in Cambridge, back home or elsewhere. On the Philip Project you will learn about worldviews to help you think about how to teach the Bible to particular people groups.

## What is the Philip Project?

The Philip Project aims to raise faithful Bible teachers amongst international students and professionals in the UK. We seek to achieve this through training and mentoring students to understand and teach the Bible, enabling them to be better equipped to serve the church wherever they go as disciplers, teachers or preachers.

## Who is it for?

The Philip Project is particularly for Christian international students and short-term professionals with an interest in teaching the Bible. We also welcome on the course those working with internationals and those living in the UK who are seeking to reach their local ethnic communities for Christ.

## How Does it Work?

The goals of the Philip Project are achieved through three forms of 'relational' learning and discipling:

- 1** Training days once a month on a Saturday, led by experienced teachers.
- 2** Mentoring to encourage each student's Christian walk and aid their growth in understanding and teaching the Bible.
- 3** A weekend away in the spring with Bible talks and workshops on teaching the Bible (date and cost to be confirmed).
