

Why join?

- You are here in the UK to develop and grow in your field of study or work. Why not grow in your understanding of God's Word so that you can serve him better?
- Whether you return home, stay in the UK or go elsewhere in the world, God wants you to be involved in His mission of proclaiming the good news of Jesus to others. On the Philip Project you will learn how to share the Bible through giving talks or leading Bible studies.
- We want to proclaim God's good news to real people, whether in the UK, back home or elsewhere. On the Philip Project you will learn about worldviews to help you think about how to teach the Bible to particular people groups.
- Our Philip Project classes have included students from all over the world and training is led by experienced teachers, often with cross-cultural experience.

"I am very glad to have attended the Philip Project. I have gained confidence to teach the Bible to others and interact with the group effectively. I would like to pass on the skills of leading Bible studies to other Christians."

"In the Philip Project, I have begun learning to communicate the word of God in the Scriptures effectively to people.

Thanks to the very helpful feedback which I have received, so many of my blind spots have been addressed. I want to thank all of you for laying a good foundation and equipping me so that I may equip others too."

*Understanding and Sharing
God's Word*

London
2020-21

What is the Philip Project?

The Philip Project is an interactive course aimed at international students and professionals in the UK for developing their skills in understanding and sharing God's Word faithfully. These skills can be used in a variety of contexts depending on each student's situation and gifting. For example: for personal Bible study, sharing 1-1, leading Bible Studies, giving Bible talks, or preaching to whole congregations.

Who is it for?

The Philip Project is especially for Christian international students and professionals with an interest in developing their skills in understanding the Bible and sharing its message with others. We also welcome international volunteers and those living in the UK who are seeking to reach their local ethnic communities for Christ.

How Does it Work?

The goals of the Philip Project are achieved through three forms of 'relational' learning and discipling:

- 1** Training days once a month on a Saturday, led by experienced teachers.
- 2** Mentoring to encourage each student's Christian walk and aid their growth in understanding and sharing the Bible.
- 3** A weekend away in 2021 with Bible talks and workshops on teaching the Bible (pending health restrictions; date and costs to be confirmed).
