## WHAT IS THE PHILIP PROJECT?

The Philip Project aims to help students know and love the Bible more during their time in the UK, and to equip them to teach and share the Bible in their communities. We seek to achieve this through training and mentoring students to understand and teach the Bible, enabling them to be better equipped to serve the church wherever they go as disciplers, teachers or preachers.

## WHO IS IT FOR?

The Philip Project is particularly for Christian international students and short term professionals with an interest in teaching the Bible. We also welcome on the course those working with internationals and those living in the UK who are seeking to reach their local ethnic communities for Christ.

## COURSE SCHEDULE

All training days run from 9:30am to 3:00pm. There are three parts to each training day:

- Bible Overview and World-views
- Understanding the Bible - How to interpret the different types of Bible literature.
- Teaching the Bible - How to prepare to teach a Bible passage.
