WHAT IS THE PHILIP PROJECT?

The Philip Project is an interactive course aimed at international students and professionals in the UK for developing their skills in understanding and sharing God's Word faithfully in a variety of contexts, depending on each student's situation and gifting.

WHO IS IT FOR?

The Philip Project is designed for Christian international students and professionals with an interest in understanding the Bible and sharing its message with others.

We also welcome on the course international volunteers and those living in the UK who are seeking to reach their local international communities for Christ.

COURSE SCHEDULE:

All training days run from 9:30am to 4:30pm with breaks for refreshments and lunch giving opportunities to get to know your fellow students. There are three formal parts to most training days:

- Bible Overview and Worldviews
- Understanding the Bible - How to interpret the different types of Bible literature.
- Sharing the Bible - How to prepare to open up a Bible passage in a variety of situations.

In addition, students are expected to do a little homework and meet with their mentor between training days.

HOW DOES IT WORK?

The Philip Project has three forms of 'relational' learning and discipling:
